

# CAVALIO

EXCEPTIONALLY STYLISH FLOORS

## FLOORCARE

All planks and tiles in the Cavalio collection feature a polyurethane surface treatment to help protect your floor from everyday wear, ensuring the optimum long-term performance of your floor. To keep your Cavalio floor looking as good as the day it was installed, we recommend you follow the below floorcare guidelines.

## RESIDENTIAL AREAS

### Day to Day Cleaning:

- ✓ Install a good quality entrance mat by exterior doors to collect loose dirt and grit
- ✓ The application of a suitable floor polish is advisable to assist with ongoing maintenance
- ✓ Sweep or vacuum your floor every day
- ✓ Regularly use a fresh mop and neutral cleaning solutions to evenly clean your floor. Remember to collect and dispel all excess fluid into your mop bucket
- ✓ Address spillages as soon as you can to reduce the risk of staining or causing slips
- ✓ Insert protective pads and cups under furniture to protect your floor from scratches and indentations
- ✓ Regularly trim your pets claws to help avoid scratching
- ✗ Drag furniture with unprotected feet across the floor
- ✗ Use abrasive liquids or metal scouring pads to aid cleaning as these can damage the floor
- ✗ Clean the floor with solvents, caustic detergents, washing up liquids, soap powders, bleach, furniture polishes, petroleum based products, pine gels, stain removers or highly coloured products. Such products may make the floor slippery or cause permanent damage.
